Studies (IFSDMS) located near Vadodara, Gujarat.

SIBER and the owner of IFSDMS - Checkmate Services Pvt, Ltd. signed an Agreement of Strategic Cooperation and in July, Checkmate proposed to enter, either into a follow up formal agreement, or a Joint Venture Agreement concerning provision of security services on the territory of India and Russia.

According to the chief delegate Alexey Buianov, SIBER's deputy CEO, such hands-on experience may be invaluable for carrying out the project of construction of Rostec's own training centre in the Smolensk Region.

IFSDMS is a state-of-the-art fire training facility that concentrates on industrial fire fighting.

'The institute has really made an impression on us all. It will just suffice to mention the props designed to simulate emergencies involving
